An Act To Allow Nondangerous Drivers To Obtain a Work-restricted License

CONCEPT DRAFT SUMMARY

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to expand the availability of a so-called "work-restricted license," which currently allows a person whose driver's license has been revoked due to conviction as a habitual offender to obtain a limited license to operate a motor vehicle between the person's residence and place of employment. This bill would make work-restricted licenses available to persons who have been convicted of driving to endanger or operating after suspension.
